

## **Don't Share Your Dream**

### **Genesis 37:5**

**Do not reveal GOD's plan for your life before its time.**

**You may just share with your destiny killer.**

**People would want to kill your baby even before it's born,  
or even snatch your baby from your womb.**

**By putting you asleep with their la-la-bye, meaning, through their nice flattering words.**

**People would want to kill you, spiritually and physically, just in order for you not to give birth to your promise child.**

**These wicked people are filled with evil spirits of jealousy and envy, which is the cause of their actions.**

**They feel inferior.**

**Spiritual jealousy occurs in the church world amongst the brethren.**

**This jealousy is more dangerous than the jealousy that the world (sinners) have.**

**Why? Because we as Christians have the power and authority. Luke 10:19**

**Your loving brothers and sisters, biological or spiritual, can sell you out, like Joseph's brothers.**

**Hide your dream until the appropriate time of revelation.**

**Meaning you have to be able to discern the time.**

**Hide in the secret place of the Most High, until he brings you out.**

**Why do you think, sometimes you don't get a prophetic word in the open, while others do and you feel like, that word was for me.**

**You know why? Because GOD is hiding you.**

**If HE reveals HIS secret plan too soon, out of your season, your destiny killers (like the Herod and the Pharaoh spirits) will stand ready to snatch your baby and run...**

**They will start giving you a cold shoulder.**

**You will start seeing ugly manifestations flowing out of jealousy.**

**Our excitement about GOD's plan for our lives, can be so overwhelming and we then just trust every-one and we think they are all excited with us, until reality strikes and you see the claws coming out.**

**Then your excitement and trust causes robbery, abortion or death.**

**We all need in this case, to learn to apply the one fruit of the spirit which is: self-control.**

**What GOD shares with you in secret, is just meant for you, keep it in your safe until the revealing time or release.**

**Luke 1:19 – 24**

**The kidnapper or illegitimate parent will not be able to breast-feed your baby, especially when she has not been pregnant, going through the process of pregnancy.**

**While being in the mother's womb, the fetus bond with the mother.**

**That new born baby needs the heat and touch of his or her own mother.**

**The baby's immune system will not have the strength to fight against sicknesses, so the new born infant will eventually die in the care of a the neglecting kidnapper.**

**26July 2009, a baby was kidnapped from one of our hospitals, while the mom was in a coma after giving birth.**

**I actually received the news while I was busy writing this message.**

**It is our responsibility as men and women to protect our spiritual babies.**

**Do not expose your spiritual new born baby to any germs, viruses or diseases (sin).**

**It is contagious and it can infect the baby and lead to death.**

**Meaning, associate with genuine, born again, spirit filled believers. Luke 1:39-45**

**Eat good and solid spiritual food and stay away from sin.**

**During our spiritual pregnancy we can't afford to be negligent (careless).**

**We are talking about life and death, but most of all, your destiny, GOD's dream, GOD's plan, GOD's kingdom...**

**The world is waiting for the true sons and daughters to come forth.**

**Feed your spiritual baby healthy spiritual food, so that your spiritual baby can grow fast and strong, becoming a giant slayer.**

**Spiritual male baby: meaning- speaks to the seeds, being sperm bearing, that when planted in the earth become trees. Trees in this context represent nations. Isaiah calls them god's plantings (Isaiah 60:21-22 and 61:3-5). Male babies reflect potential if handled (nurtured) properly. (Dream book)**

**Spiritual female babies: meaning- speaks to fruit, being the product of seed planted and grown. Female babies speak to fruit as the outcome of handling GOD's assignment as promised. (Dream book)**

**Spiritual babies: meaning- new projects or ventures are often depicted prophetically as babies in their inception. When a venture is depicted with or by a baby, this is expressly what it meant. If an infant is shown in charge of, building, or otherwise in control of a proposed venture, this speaks to its small beginnings but ultimate success. (Dream book)**

**We cannot afford under-nourished spiritual babies in this time (end time) because, there's evil giants out there that has also been raised up for such a time.**

**We need strong gigantic spiritual babies, not physically, but spiritually, amen!**

**2Corinthians 10:3-6**

**Please... do not sell your baby, not even in the time of famine.**

**Wait it out!**

**Children are a gift from GOD. Psalm 127:3**

**GOD takes better care of our children than we can.**

**Please...! Do not go into labor before your appointed time, dangerous!**

**Don't press the fruit ripe while still green, not ready yet to be eaten, you will get stomach cramps.**

**You can cause greater harm than good.**

**Impatience can cause permanent injury, damage and destruction.**

**You just might give birth to an Ishmael. Genesis 16**

**Desperacy can cause us to miss the promise child, Isaac.**

**Out of Desperacy the flesh intends to make wrong decisions that can cause great distress in the future.**

**Still today there is war between the descendants of Ishmael and Isaac about their inheritance, because Sarah was desperate for a child. Genesis 21:8-13**

**She did not want to wait on GOD's timing and she made her own plan.**

**Out of her Desperacy she made a decision that still affects lives today.**

**See how our wrong choices, birthed out of Desperacy, effects innocent lives.**

**Please, do remember, Sarai was forgiven by GOD, that's why her name was changed to Sarah after she gave birth to her promised child, Isaac. Genesis 18:1-15 and 21:1-7**

**Samson was stripped from his power/strength when he revealed his secret to Delilah.**

**He allowed a seductive woman, Delilah to mislead him and eventually he gave in to his flesh.**

**He was deceived and sold out for eleven hundred pieces of silver and he lost everything.**

**Judges 16:4, 6, 15-21**

**After his repentance, GOD's grace and mercy has given Samson another chance.**

**Judges 16:22,28**

**Samson's final victory! Judges 16:23-30**

**Solomon succeeded in everything that was in his heart, visions dreams and desires.**

**Why? Because he kept it in his heart.**

**1Kings 3&4&9&10**

**Now remember, every spiritual baby is conceived by HOLY SPIRIT.**

**Allow HOLY SPIRIT to teach you, control you during and after your spiritual pregnancy.**

**JESUS did not receive HIS blood from Maria also not from Joseph, because they were not married and neither did they have intercourse.**

**So the blood of JESUS came from HIS Heavenly FATHER, GOD.**

**A baby does not receive its blood from the mother, but from the father. (Medical knowledge)**

**That's why there is power in the blood of JESUS...**

**That's why JESUS is the everlasting one...**

**Remember, Herod was after the promised child, JESUS to kill him, Pharaoh was out to kill all the baby boys during the time where Moses was a baby.**

**So these two men were destiny and Redeemer killers.**

**So my dear beloved brother and sister in JESUS CHRIST, watch out for the Pharaoh and Herod spirits, they are dream and destiny stealers and killers.**

**They are still amongst us, especially in the church, which is supposed to be the save haven, be careful.**

**Protect your promised child, by protecting your dream.**

**Keep it in your heart like Mary did, the mother of JESUS. Luke 2:19**
